MISSION STATEMENT

The North Florida Springs Alliance (NFSA) is a Citizen Support Organization (CSO) for Wes Skiles Peacock Springs, Madison Blue Springs, Lafayette Blue Springs, Troy Springs and Suwannee River State Parks. CSOs were created by Florida legislation 258.015 as non-profit cooperatives with the state to conduct programs and activities to better our parks. These groups provide voluntary support by educating visitors, hosting events and raising funds for specific park projects. They play a vital role in supporting Florida's state parks, ensuring that our natural, cultural and historical resources are protected for future generations.

With help from members and volunteers, the NFSA has conducted educational programs and annual cleanups, and constructed changing rooms, steps, scuba tank benches, walkways and an award-winning interpretive hiking trail in Wes Skiles Peacock Springs State Park. These projects were funded by member dues, the Adopt-a-Cave program, donations, and tee shirt sales. All money raised goes toward park projects.

If you're interested in becoming a NFSA member and receiving our monthly e-newsletter, volunteering on the next park project, or just enjoying an afternoon at the next social, go to www.northfloridaspringsalliance.org.
